

CRICKET GROUND LOCATIONS

U12, if playing on concrete, use a 142 gram plastic ball and if playing on turf or synthetic wickets, a 142 gram leather ball is to be used.

Please note that BNJCA does not have toilet keys! The Clubs have the keys if they are available for a school. Please check the grounds location sheet below to find the applicable club who has responsibility for the school you are playing at and ring the club to determine if keys are available. The phone numbers of the Club Executive are available on their relevant Club page of the eAllrounder on the website.
